Prescription for success

"Return of the Arrowmen"

Troop / Team Enrichment

Return of the arrowmen

- **Session Objectives**
 - How to have a successful term as OATR when you get back home.
 - It starts with you.
 - You can help your unit succeed

- **Meet your session Trainers**

Cell Mission

- When you were elected in to the Order of the Arrow, you were chosen by your fellow scouts as one who best exemplifies the Scout Oath and Law in your daily life.
- Your unit, troop or team, has asked you to be the Order of the Arrow Representative for those same reasons.
- This Leadership position is the best place for you to help your unit grow and to also impress other members to want to become involved in the Order of the Arrow.
- These 3 sessions will allow you to better understand the history and purpose of the OA Rep, your responsibilities, and how to work with your unit to help them provide a better program by being a successful OA Unit Rep.

Servant Leaders

The highest type of ruler is one of whose existence the people are barely aware. Next comes one whom they love and praise. Next comes one whom they fear. Next comes one whom they despise and defy.

Attributed to Lao-Tzu

Servant leaders

“The difference between servant leader and leader first manifests itself in the care taken by the servant-first to make sure that other people’s highest priority needs are being served. The best test, and difficult to administer, is: Do those served grow as persons? Do they, while being served, become healthier, wiser, freer, more autonomous, more likely themselves to become servants? And, what is the effect on the least privileged in society? Will they benefit or at least not be further deprived?”
