20 minutes

Activity

Copy and paste this box wherever you have an activity in this session!

Length of Activity: # 20 Minutes

Activity Description: Impromptu Public Speaking: In a volunteered manner, participants will be given an item from the facilitator, the scout or scouter will then have to give a 1:00 Minute speech relating to the item.

Use 2-3 Scouts/Scouters for this exercise

- Impromptu Speech
 - Taking as many as possible with time, allow for volunteers to give a 1-minute speech about an item that they select at random (to be provided by the facilitator)
 - In discussing the impromptu speeches, we will go over how it is important to understand your material before the speech or meeting you are running. This helps to stimulate the nerves and loss associated with speaking unprepared!

Conclusion & Takeaway Challenge

3 minutes

- Public Speaking on any level whether it is a class project, scouting, work, business, etc. is a viable and wildly important skill to enhance and will allow you to increase your comfortability.
- Questions?

Please take out your notebook and pen. For the final three minutes, think about your current and future roles in the OA, in Scouting, and in life. Write down three key takeaways from this session that will enable you to Seek New Heights in those current and/or future roles. For example, how can the use of public speaking and strong communication skills help me work with others, assist my lodge, or run meetings? Later today, feel free to share these key ideas with others in your chapter or lodge.
