Please take out your notebook and pen. For the final three minutes, think about your current and future roles in the OA, in Scouting, and in life. Write down three key takeaways from this session that will enable you to Seek New Heights in those current and/or future roles. For example, what's one way you can work with the CCC so that your chapter or lodge event works with them. Later today, feel free to share these key ideas with others in your chapter or lodge.
