**Session Length:** 45 minutes

### Session Description

---

This session will cover the fundamentals of effective networking, including building and maintaining professional relationships, leveraging social media platforms, and attending industry events. Learners will gain insights into creating a lasting impression, crafting an impactful personal brand, and utilizing networking to explore career opportunities. The session is particularly beneficial for those looking to expand their professional circle, seeking mentorship, or exploring new career paths, providing them with practical tips and strategies for successful networking.

### Learning Outcomes

---

**Outcome 1:** Understand the importance of networking in professional growth.

**Outcome 2:** Learn how to build and maintain professional relationships.

**Outcome 3:** Gain strategies for effective networking at industry events.

**Outcome 4:** Explore ways to use networking for career exploration and mentorship opportunities.

## **Theme Connection: Seek New Heights**

---

The theme "Seek New Heights" encapsulates the drive for ambition, growth, and achieving beyond current limits. Networking is a pivotal tool in this journey, providing access to diverse perspectives, opportunities, and continuous learning. By building strong professional relationships, you can gain valuable insights, support, and resources that propel you to new career and personal milestones. Embracing this theme through networking means setting ambitious goals, leveraging technology, and pursuing lifelong learning. This proactive approach ensures continuous improvement, visibility, and innovation, enabling you to reach and exceed your aspirations.

## Facility and Material Needs

---

[Please put all material and facility needs in this section. We recommend completing this portion last after the rest of the lesson plan is completed. **The more specific you are with your material and facility requests, the better we can accommodate!**]

### Facility Needs

*Is this session remote delegate-compatible?*      No  
(ie. can the material be engagingly taught via live stream)

*Does this session need audio/video (AV) capabilities?* (ie. projector)      Yes

*Are there any other specific facility needs for this session?* (ie. movable chairs, panel-style seating, etc.)      N/A

### Material Needs

[Please put “NOAC Training Committee” under “Source” if you need a material and cannot source it yourself - we will try to source it for you. Please note that we would strongly prefer training materials to be in a digital format and would advise against flipcharts and other physical materials. If you need microphones, extension cords, etc., please also specify those needs here.]

## Session Preparation Steps

---

[Please list all steps you or another trainer would need to take to be prepared to teach this session. For example, if the trainer needs to add personal experiences, print handouts, or prepare items for a game, those should be listed here. **The goal is for someone to be able to read this syllabus and understand how to teach your session in the future!**]

In order to facilitate this session, the trainer should familiarize themselves with the concept of the Third Door by Alex Banayan. There is a link to a podcast episode where he talks about it. Also, this session is very personal experience heavy, the trainer should be able to relate to some of the points specified. Finally, at the end of this session, there is a section called the Steven Spielberg anecdote, the trainer should know the story of Spielberg and how he became Hollywood's youngest director.

## Additional Staff Members

---

[If you are having additional trainers assist you with your session, please fill out their contact information below. Please note that due to the conference sell-out, we are limited in our ability to register additional staff members on the training committee. We recommend that your additional trainers come from contingents or other staff members that can break from their duties to facilitate the session.]
