

Chosen to Serve

“I would challenge you to consider the people in life that have shaped the course of your leadership. They are parents and relatives, historical icons and sometimes even our closest friends...They seem to possess this innate quality to inspire others.”

~2004 National Chief
Jeff Hayward

“I have been a member of the Order for more than 50 years. It has set a standard for the way that I have answered the challenges of life.”
~ Carl M. Marchetti, M.D.
