Please provide a written description of displayed items. If several items make up a "set," the set can be described and displayed as one item. If there are several similar items displayed, please provide descriptions that differentiate these similar items. For example, if the exhibitor has three fans, do not identify them as "Fan 1," "Fan 2" and "Fan 3." Describe significant features of each fan, such as type of feathers, background color of beadwork, etc.
